

What if God were to say to you, “Let’s sit down before breakfast each morning for the next seven weeks and over a cup of coffee I will share with you what it means to be wise or foolish. I will give you My insights into success in life.” Would you take Him up on it? Well that is exactly the opportunity presented in this Daily Quiet Times Alone With God series.

The Book of Proverbs begins with a startling claim:

Proverbs 1:1-7

The proverbs of Solomon the son of David, king of Israel:

To know wisdom and instruction, To discern the sayings of understanding,

To receive instruction in wise behavior, Righteousness, justice and equity;

To give prudence to the naive, To the youth knowledge and discretion,

A wise man will hear and increase in learning, And a man of understanding will acquire wise counsel,

To understand a proverb and a figure, The words of the wise and their riddles.

The fear of the LORD is the beginning of knowledge; Fools despise wisdom and instruction.

Think of this, in one book a concise and readable collection of what it means to be wise or foolish in the sight of God! Now that is a book you would want to sit down and master. Not only that, it is not just any book, but a book written by God. Not only written by God, but it is also endowed with spiritual and dynamic attributes which make it the actual holy, eternal, inerrant, written Word of God.

Billy Graham, one of the greatest evangelists ever to live, confided that it was his habit to read a chapter of Proverbs every day. In that way, every month he heard from God, over and over again, all that He had to say about wisdom and foolishness in life. Not a bad plan for a man who would spend his life under the critical microscope of the secular press as he proclaimed the gospel of salvation throughout the world. In understanding this discipline, it is no wonder that he is one of the few modern national/international Christian figures to end his life without stain or moral blemish.

This Daily Quiet Time Alone With God is an excellent beginning point for the Christian to discover the mind of God in the area of what is indeed wise and foolish..

It is an excellent tool for the mature Christian to use to reacquaint himself with the mind of God and to test values, decision making and thought processes against that of God the Holy Spirit.

For mom or dad it is an excellent tool to use with your children, either in a daily morning one-on-one discipleship time, the family altar, or even the dinner table.

For the minister it will be helpful, in an age when the Christian community expects you to perform as a combination of motivational speaker/corporate executive/cruise ship director, to refocus your convictions on what God views as important in life and character. By God’s grace, like Dr. Graham, it will deliver you from the foolishness by which so many ministers embarrass themselves and their congregations.

God the Holy Spirit could not have put it better...

“A wise man will hear and increase in learning,”

As you listen to God the Holy Spirit each morning, may He bless you with wisdom and deliver you from foolishness.

By His mercy,
