

Dear Prayer Warriors,

This has been a full weekend and it is not over yet...

Picture 1 - I was privileged to do the plenary sessions for the Things Which Become Sound Doctrine Conference co-hosted by The Navigators and Grace Community International. We had over 125 pastors, ministers and church leaders in attendance. There was a great response and I praise God for your prayers. It is a good example of how God uses para-church ministries to bless and facilitate the ministry of the local church. We were able to give all the pastors present leather McArthur Study Bibles for their personal use. Afterwards Dr. Mukolwe said that most of the pastors in attendance would never even own a leather Bible and that these study Bibles in some cases exceeded their one month salary. In addition Bible reference works were donated to the church libraries and other volumes distributed to worthy ministers.

Picture 2 - This Sunday I was up early working on my messages for church. I am doing a sermon series on marriage and here I present one of the host pastors with a book on the Biblical roles of men and women, again by John McArthur.

Picture 3 - Before speaking, as is my habit, I call upon the Lord to bless the teaching and preaching of His holy, eternal, inerrant, written Word.

Picture 4 - NPC Parklands is setting aside the first service of their church for the marriage covenant seminar. We have all the leaders of this church as well as pastors from a number of others in attendance.

The Houston team is now well on its way home.

It was a great week of ministry and there is no let up to the work here in the harvest fields of Kenya. After typing this email I will depart to speak at a Christian leadership banquet in downtown Nairobi.

I will attach for you with the prayer I pray before teaching God's Word asking you to claim these verses our ministry here in Kenya. One of the key points I made during the doctrine conference was that the "sower sows the Word" - this is the ministry of the harvest, the Word of God. Beseech the Lord of the harvest to send out laborers into the harvest, men and women committed to the holy, eternal, inerrant, written Word of God.

As always we minister by the Grace of God and the effectual prayers of your our prayer warriors.

By His mercy,

II Corinthians 4:1
