

A Word of Thanks

"I will give You thanks forever, because You have done it, and I will wait on Your name, for it is good, in the presence of Your godly ones."

(Psalm 52:9)

We presented several large "asks" in May and June to you, our faithful prayer warriors. Before departing for Nigeria, we wanted to pause to say "Thank you!" and update you on how God continues to work through your sacrificial gifts and prayers. Read on to see how our Heavenly Father moved in the past month among those who pray, give, and go!

"Two are better than one because they have a good return for their labor...and if one can overpower him who is alone, two can resist him. A cord of three strands is not quickly torn apart."

(Ecclesiastes 4:9, 12)

Grace Community International operates based on the three-fold cord of mission work - namely, that any endeavor is a joint effort among those who pray, those who give financially, and those who physically go. Here's how God moved during our preparations for the upcoming trips to Nigeria and Cameroon:

- **Praying** - We went from being warned by our Passport / Visa service that issues in national offices made it improbable that our required documents would be returned on time to receiving said documents a week prior to our leaving. Once we send the documents off, the timing of their re-issuance back to us is entirely out of our hands, but you prayed, God moved, and now we can confidently push forward with travel preparations for our departure next week!

- **Giving** - The response from donors wanting to provide quality study Bibles and Bible study resources to national pastors and lay leaders has been overwhelming. We recently held a packing party to prepare these supplies to travel with us to either Nigeria or Cameroon, and were humbled to put together more than twenty 50 lb boxes filled with these valuable resources!
- **Going** - Registration for our Pastors Conference in Nigeria has exceeded the 500 person seating capacity of our original location so we're changing venues to accommodate this explosive interest!

Thank you for partnering with us on each of these endeavors! Historically, the summer months are a "low point" in giving due to summer vacations and travel. Would you join with us in thanking God for His good provision so far, and asking Him to continue to provide for our ministry needs as we spend much of the next several months laboring in the harvest fields of the world? I close this message with a deep and abiding thankfulness for your sacrificial and effectual prayers which empower and drive this ministry ever forward in the cause of Christ.

By His mercy,

Rev. John S. Mahon
