

## **Theme for Weeks Nine and Ten: Heart for a Ministry**

In an age of church hopping where job and career commitments seem to always loom over that of ministry, where if one is not entertained and ministered to on and by his standards, there are other shows in town to which he can immediately flee. In such an age of flighty and fickle laborers, it is important that we turn our thoughts to God's expectations of commitment to a ministry. How deeply should we commit ourselves? How whole-heartedly should we labor? As you complete the last two weeks of quiet time assignments, seek to burn with zeal for your ministry as those of whom you meditate upon while reading God's Word.

*Briefly summarize how this series ministered to you:*
