

Dear Prayer Warriors,

Thank you for your prayers empowering the preaching and teaching of God's holy Word. We had a number of decisions this Sunday morning for Christ. Those making them were asked to stand, repent of sin, agree to destroy their idols and charms and pray publicly to receive Christ. We rejoiced as God answered your prayers and the Word of God went forth in power.

In addition pastoral staff received study Bibles and you can see from their reaction that your generosity has resulted in praise to God

God also has been blessing your prayers concerning the teaching of God's holy, eternal, inerrant, written Word. Everywhere I go I am told that men will not get up early in the morning to study God's Word. Everywhere I go I find men eager and willing to get up early in the morning in order to do an indepth study of God's Word.

Everywhere I go I am told that young people will not be attracted to Bible study but must be entertained. Everywhere I go I find young people eager to know God's Word.

How I praise God for the vision and hard work which David Taylor of Untangled International has put into our ministry here in Malawi. He is a true man of God and he loves the Word of God. We have greatly enjoyed ministering together and make a great teaching team.

Please continue to pray. We are about to be on the road again and rely upon your prayers. You probably will not hear from us for about a week but please do not let our absence of internet access deter you from co-ministering with us in your prayers. By your prayers we will continued to be empowered, protected and guided as we teach the holy Word of God and preach Christ. We are indebted to you for your sacrificial gifts and prayers which make this ministry possible.

By His mercy,
II Corinthians 4:1
