

Brief South Africa Update

*"Sing to the Lord, bless His name; proclaim good tidings of His salvation
from day to day."*

(Psalm 96:2)

We wanted to provide a quick update to you regarding Rev. & Mrs. Mahon's safe arrival in Cape Town, South Africa. God answered your prayers, and they along with all of their bags of Bibles and supplies made it into the country unharmed! Additionally, He continues to strengthen their hands for ministry as they lead conferences and meet with pastors, lay leaders, and their wives.

Over the next 9 days, please join with us in praying over these specific areas of the trip: marriage and family conferences (Joshua 24:15), prayer conference (John 15:7), encouragement of national pastors and lay leaders (1 Thessalonians 5:11), and stamina
